## SECTION A - GENERAL PROVISIONS

### 1. Authority for Organization.

a. The CAP Chaplain Corps was organized with the guidance of the Air Force Chief of Chaplains in January 1950. Since this time, as a component of the Air Force Auxiliary, the CAP Chaplain Corps has partnered with the USAF Chaplain Corps. Though separate organizations, the CAP Chaplain program will be modeled after the USAF Chaplain Corps, as stated in the current Statement of Work between the CAP and the USAF.

b. Chapter 909 of Title 10, United States Code, Section 9446, states that, "The Secretary of the Air Force may use the services of Civil Air Patrol chaplains in support of the Air Force active duty and reserve component forces to the extent and under conditions that the Secretary determines appropriate." In light of this requirement, the CAP Chaplain Corps will appoint chaplains who meet the same educational and professional standards as Air Force chaplains and provide similar training to prepare them for domestic, non-combat ministry.

### 2. Mission of the CAP Chaplain Corps.

a. The free exercise of religion is a constitutional right of all US citizens. Civil Air Patrol provides opportunities for CAP members to exercise this right through the Chaplain Corps and by allocating required resources to accomplish the Chaplain Corps mission.

b. The Civil Air Patrol Chaplain Corps promotes moral leadership, spiritual care, and character development throughout the CAP senior member and cadet programs.

c. Responding to emergencies is a critical aspect of the CAP Chaplain Corps mission. As professional clergy, CAP chaplains prepare to respond to Civil Air Patrol, USAF, and community emergencies, such as disasters, aircraft accidents, or acts of terrorism.

## SECTION B - CHAPLAIN CORPS STANDARDS

3. **Chaplains.** Religious bodies listed by the Department of Defense (DoD) Armed Forces Chaplains Board (AFCB) endorse or approve all CAP chaplains. Individuals endorsed as chaplains in the US Armed Forces need not obtain another endorsement to serve with CAP. Some endorsers may require a separate endorsement for active duty or reserve chaplains serving as CAP chaplains. Chaplains use title and rank (Chaplain, Rank) in official correspondence. "Chaplain" is the proper term of address, regardless of rank. Chaplains wear the Air Force style or CAP distinctive uniform with insignia appropriate to their distinctive faith group. When leading worship services, chaplains may also wear apparel consistent with their faith group tradition. However, distinctive clerical apparel (collars, crosses on chains, etc.) will not be worn with the Air Force style or CAP distinctive uniforms. Consult CAPM 39-1, *Civil Air Patrol Uniform Manual* for weight, grooming, and hair standards.

4. **Character Development Instructors.** Character development instructors (CDIs) are required to be active in and recommended by their local church or similar religious body. CDIs are a part of the CAP Chaplain Corps and are appointed to provide character development instruction in the cadet program. They will not use the title "Chaplain" nor wear chaplain insignia. When duly appointed and upon completion of technician training, CDIs may wear the

service badge. Only appointed and endorsed chaplains are authorized to provide ministry as clergy within CAP. Clergy ministry includes: religious ministrations (worship services, baptisms, communion, funerals); solemnizing of events; confidentiality and/or privileged communications. CAP members who are ordained ministers serving in the capacity of CDI are not granted confidentiality or privileged communication in CAP. When working under the guidance of a chaplain, CAP members may provide non-clergy support for chaplain professional ministry. CAP members may offer non-denominational prayers in the absence of a unit chaplain. Commanders will endeavor to make character development instruction available during cadet meetings for no less than 1 hour per month. Commanders may temporarily lead the character development session but should strive to recruit a chaplain or character development instructor as soon as possible. The CDI works under the direction of a chaplain designated by the wing chaplain. When no chaplain is assigned to a unit, the CDI works directly for the commander while maintaining liaison with the wing chaplain.

**5. Chaplain Corps Duty Restrictions.** Chaplains will not perform duties incompatible with their professional role. They are not required to conduct or take part in religious activities that conflict with their faith group doctrines or personal religious convictions. Chaplains are not eligible to serve as a CAP commander, deputy commander, testing officer, or be designated as an investigating officer as prescribed by CAPR 123-2. Wing chaplains may grade chaplain corps exams (221A, 221B, 221C) without compromising their chaplain status. Chaplains who wish to engage in duties incompatible with their role as listed above must withdraw from the Chaplain Corps to do so. After 24 months, a chaplain must re-apply on a new Form 35 and obtain a current ecclesiastical endorsement. Chaplains have rank without command; however, chaplains may exercise operational supervision over Chaplain Corps personnel and activities.

## **6. Chaplain Appointment.**

**a. Senior Membership.** As a prerequisite to appointment as a chaplain, an applicant must meet all requirements for senior membership (see CAPR 39-2, *Civil Air Patrol Membership*).

**b. Ecclesiastical Endorsement.** Chaplains will receive an ecclesiastical endorsement from a faith group listed by the Armed Forces Chaplains Board (AFCB) prior to appointment as a chaplain. Endorsements are valid until withdrawn or asked to be renewed by the individual endorser. Chaplains who change denominational affiliation must obtain a new endorsement. If a new endorsement or renewal is not obtained within 90 days, their chaplain status will be withdrawn. The endorsement shall certify that the applicant is:

- (1) A fully ordained or qualified priest, rabbi, or minister of religion
- (2) Actively engaged in or retired from a denominationally approved vocation.
- (3) Recommended as being spiritually, morally, intellectually, and emotionally qualified to represent the applicant's religious body as a CAP chaplain.

**c. Formal Educational Requirements.** Chaplain applicants shall meet the educational requirements specified in DoD Instruction 1304.28 as follows:

(1) "The educationally qualified applicant shall possess a baccalaureate degree with not less than 120 semester hours (180 quarter hours) from a qualifying educational institution. The educationally qualified applicant shall also possess a post-baccalaureate graduate degree in the field of theological or related studies from a qualifying educational institution. A qualifying graduate degree program shall require no fewer than 72 semester hours (108 quarter hours) of graduate-level work. Related studies may include graduate courses in pastoral counseling, social work, religious administration, and similar disciplines when one-half of the earned graduate credits include topics in general religion, world religions, the practice of religion, theology, religious philosophy, religious ethics, and/or the foundational writings from the applicant's religious tradition."

(2) "A qualifying educational institution is an accredited college, university, or school of theology listed in the current edition of the American Council on Education (ACE), Accredited Institutions of Post-secondary Education and relevant ACE supplements to that publication (Reference (e)), or any unaccredited institution that meets the requirements of subparagraphs 6.2.1 through 6.2.4."

(3) The Chief of the Chaplain Corps (CAP/HC) may grant a waiver to those who do not meet the graduate study requirement providing they meet all other requirements and present valid documentation of at least 5 years of full time ministry experience as a pastor within their denomination. Chaplains who receive a waiver are not eligible to provide assistance to the military.

(4) All other exceptions to the educational qualifications of a chaplain applicant shall be determined in accordance with DoD Instruction 1304.28.

#### **d. Appointment Procedure.**

(1) Wing chaplains serve as the point of contact for all Chaplain Corps appointments within their wing. Clergy desiring to be appointed as a CAP chaplain must provide the wing chaplain with:

(a) A completed CAPF 35, *Chaplain Application*, signed by the unit commander where the applicant will be assigned.

(b) An official transcript of each required degree showing the name and location of the institution that awarded the degree.

(c) Ecclesiastical endorsement (DoD Form 2088) or letter of approval from an endorser recognized by the Department of Defense Armed Forces Chaplains Board.

(d) Verification of CAP Senior Member status.

(e) Documentation that Cadet Protection Training and all portions of Level I have been completed.

(2) The wing chaplain assembles all documentation required for appointment, except the ecclesiastical endorsement, which is sent directly from the endorser to NHQ Chaplain Corps Program Administrator (NHQ CAP/HCA). The wing chaplain will conduct an interview, sign the CAPF 35 if warranted, include all the supporting documentation and then forward the application package to the region chaplain for region approval and subsequent transmission to NHQ CAP/HCA for final approval by the Chief of the Chaplain Corps (CAP/HC). Upon appointment NHQ CAP/HCA will issue a certificate of appointment.

(3) After the appointment, the NHQ CAP/HCA notifies the region chaplain, wing chaplain, region commander, wing commander and ecclesiastical endorsing agent of the appointment.

## 7. Character Development Instructor Appointment.

a. A CDI must first become a senior member. Once the individual has become a member and completed Level I, he/she may apply for the CDI position by completing a CAPF 35a, *Character Development Instructor Application*. CDI applications are processed through the wing chaplain who verifies that:

(1) The applicant has a minimum of 60 semester hours (90 quarter hours) of college study beyond the high school diploma. The minimum of 60 semester hours (90 quarter hours) must be attained from a college or university listed in the current edition of the American Council on Education (ACE), Accredited Institutions of Post-secondary Education and relevant ACE supplements to that publication.

(2) The applicant has a letter of recommendation from his or her local religious official (i.e., church pastor, rabbi, etc.) who is a member of a faith group listed by the Department of Defense Armed Forces Chaplains Board, verifying that the applicant is spiritually, morally, and emotionally qualified to serve as a character development instructor, and the applicant has held a leadership position in the church/or religious equivalent setting for at least 2 years.

b. The wing chaplain completes an interview, signs the CAPF 35a if warranted, and then forwards the application package including the supporting documentation to the region chaplain for region approval and subsequent transmission to NHQ CAP/HCA for final approval by CAP/HC.

c. After the appointment, the NHQ CAP/HCA notifies the region chaplain, wing chaplain, region commander, wing commander and unit commander of the appointment.

d. Unless currently serving in a higher grade, in which case the higher grade will be maintained, a CDI is initially appointed in the grade of second lieutenant and awarded the CAP 225 Specialty Track.

The report will be submitted to the wing chaplain and a copy provided to the reporter's unit commander. Wing chaplains will notify the wing commander when reports are not received. Wing chaplains will send copies of the consolidated report (CAPF 34A, *Wing Chaplain Statistical Report*) to the region chaplain and a copy provided to the wing commander no later than 15 January and 15 July. Region chaplains will notify the region commander when reports are not received. Region chaplains shall submit a consolidated report (CAPF34A) incorporating also the CAPF 34 reports of their staff to the Secretary of the Chaplain Corps Advisory Council (CCAC) no later than 31 January and 31 July. Chaplain Corps personnel assigned to NHQ will submit their personal report directly to the Secretary of the CCAC no later than 5 January and 5 July. Chaplains and character development instructors who are delinquent in filing their semi-annual report (CAPF 34) are not eligible for Chaplain Corps recognition or awards.

**9. Religious Interview Guide, CAPF 48.** Chaplains must inform CAP members their information is voluntary. When completed, chaplains will maintain a CAPF 48 on each unit member in a locked file or in a secure electronic file that is password protected. When a member leaves the unit, the member's Form 48 will be destroyed by burning or shredding and/or deletion from secure electronic files. When the chaplain leaves the unit, all completed CAPFs 48 will be destroyed in same manner.

**10. Chaplain Corps Rosters.** NHQ CAP/HCA will send the following quarterly rosters to the Chaplain Corps Executive Council (CCEC), region, and wing chaplains. Region and wing chaplains will review these reports for accuracy and report discrepancies in writing to NHQ CAP/HCA.

**SECTION D - THE CHAPLAIN CORPS PROGRAM**

A Certificate of Partnership is available from the NHQ CAP/HCA to recognize the contribution congregations make to CAP. Chaplains and CDIs may request this certificate by writing directly to NHQ CAP/HCA. It is desired that a senior chaplain (CAP/HC, region, or wing chaplain), wing commander, or wing commander designee present this certificate
